Dear Sir:

In the Advisory Action dated July 7, 2006, the Examiner has checked numbered paragraph 3(a) under AMENDMENTS indicating that the Amendments filed after the final rejection "raise new issues that would require further consideration and/or search (see NOTE below)". The "NOTE" refers to the "Continuation Sheet" appended to the Advisory Action in which the Examiner states "Amended[sic] claims introduce new matter which requires further consideration and a new search".

The Applicant respectfully submits that it appears that in the Continuation Sheet the Examiner intended to state that the amended claims introduce "new issues", not "new matter" as stated, since numbered paragraph 3(a) is checked in the Advisory Action, not numbered paragraph 3(b)."

Very respectfully,

Applicant:
